Reg. No. 199802208C

Dear Secretary Dortch,

Re: StarHub, Inc., Annual 47 C.F.R. § 64.2009(e) CPNI Certification,  
EB Docket No. 06-36

---

StarHub, Inc. ("StarHub") submits this letter relating to the requirement that all "telecommunications carriers" annually certify their compliance with the Commission's customer proprietary network information ("CPNI") rules. StarHub has previously explained to the Commission that it does not provide any telecommunications services, nor does it provide any services in the United States. See, e.g., Letter from Khoon-Aik Lee, Manager (Regulatory & Interconnect), StarHub, Inc., to Marlene Dortch, Secretary, FCC, EB Docket No. 06-36 (filed Feb. 24, 2009). Accordingly, the CPNI rules (and any requirement to certify compliance with those rules) were inapplicable to StarHub during the 2009 reporting period, and continue to be inapplicable to StarHub.

Please contact the undersigned with any questions you may have.

Yours faithfully

A handwritten signature in blue ink, appearing to read "TG", with a stylized flourish extending from the end.
